

WARNING LIGHT ECONOMIC TYPE

Small Round

LTE-1081

LTE-1081J

CHARACTERISTICS:

- High transparent and fadeless dome made of high photo-permeable materials
- J for buzzer of high tone quality
- Red, yellow, green and blue available

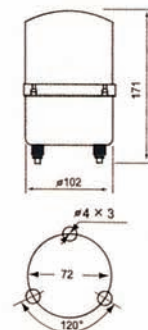

TECHNICAL DATA

Model	Voltage	power
LTE-1081	DC12V 24V	5W
LTE-1081J	AC110V 220V	

External Octagonal

LTE-1101

LTE-1101J

CHARACTERISTICS:

- High transparent and fadeless dome
- The rotating part adopts the gear with low noise and reliable functions
- J for buzzer of high tone quality
- Red, yellow, green and blue available

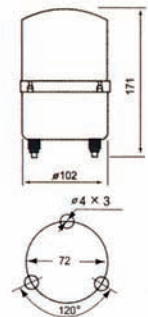

TECHNICAL DATA

Model	Voltage	power
LTE-1101	DC12V 24V	10W
LTE-1101J	AC110V 220V	

Inner Octagonal

LTE-1102

LTE-1102J

CHARACTERISTICS:

- High transparent and fadeless dome made of high photo-permeable materials
- The rotating part adopts the gear with low noise and reliable functions
- J for buzzer of high tone quality
- Red, yellow, green and blue available

TECHNICAL DATA

Model	Voltage	power
LTE-1102	DC12V 24V	10W
LTE-1102J	AC110V 220V
